Safety is the most important thing in everybody's life!

Each and every person who leaves his home for work in the morning should come back to his home safely in good health. No matter where he works, safety is necessary because any injury due to accident can be harmful to him.

Accidents cause loss of productivity and damage to the machinery and property in the industry. Workplace safety is for well-being of both employees and employers. A safe and healthy workplace not only protects workers from injury and illness, which will also reduce absenteeism, increased productivity, quality and raise employee morale.

Positive behaviour is key for safety and health at the workplaces. Cultivate and sustain positive behaviour for happiness and prosperity. Safety Officer is responsible for planning, implementing and overseeing employee safety at work places. His duty is to ensure that safety precautions are taken while work is carried out by the employees in the industry.

Today education is important part of life and person cannot survive without education in present dynamic era.

Further Occupational Health and Safety education is everyday part and partial of our daily work activities. The Good knowledge of OHS can be helpful at home, workplace or during outdoor activities like in travel, sports etc.

स्वस्थस्य स्वास्थ्य रक्षणं आतुरस्य विकार प्रशमनं।
सर्वे भवन्तु सुखिनः सर्वे सन्तु निरामयाः

The whole concept of OHS is keeping everyone well-being physically, mentally!

Education is an ornament with which a person not only gets respect in the society, but also gets an intense personality by being endowed with human virtues.

शिक्षा एक ऐसा अलंकार है जिस से अलंकृत हो कर मनुष्य समाज मे न सिर्फ सम्मान पाता है बल्कि मानवोचित सद्गुणो से संपन्न हो कर एक प्रखर व्यक्तित्व को प्राप्त करता है।

विद्या ददाति विनयम् । राजा पूज्यते राज्येषु, विद्वानः सर्वत्र पूज्यते ।

आज के दिनो मे शिक्षा समाज मे आर्थिक रूप से समायोजित करने की क्षमता प्रदान करता है ।

Today, education provides the ability to adjust financially in society.
